Re: Erratum Notice for FY 2020 Quarter 4 Service Performance Measurement Data

Dear Ms. Barker:

The United States Postal Service (Postal Service) is filing an Erratum to the FY 2020 Quarter 4 Service Performance Measurement Data that the Postal Service filed with the Postal Regulatory Commission on November 9, 2020. The Postal Service is filing revised versions of reports identified as "fy2020-q4-periodicals-quarterly-performance.pdf" and "fy2020-q4-periodicals-service-variance.pdf" as enclosures to this Erratum Notice. These revised reports contain highlighted cells which indicate the corrected numbers.

The Postal Service regrets this administrative error, but submits that no party will be prejudiced by this corrected filing.

If you have any questions, please feel free to call me at (202) 268-4277.

Sincerely,

/s/
