Docket No. RM2021-1

MOTION OF PUBLIC REPRESENTATIVE FOR  
EXTENSION OF TIME TO FILE COMMENTS  
(February 19, 2021)

The Public Representative respectfully submits this motion for a one-week extension of time to file his comments in Docket No. RM2021-1. The current deadline for Comments in this docket is February 26, 2020. If his motion is granted, he will file his comments on March 5, 2021.

This morning, he discovered a member of his immediate family requires emergency health service, which will preclude him from devoting time to preparing his comments for the rest of the day, perhaps longer. In addition, Chairman's Information Request 3 (CHIR 3) will not be available until February 24, 2021, and the Public Representative filed a Motion Requesting Issuance of an Information Request to the Postal Service on February 18, 2021. He believes the

responses to these two information requests will not be made available in time for him incorporate them into his comments.

The Public Representative believes a one week extension will provide time for the Postal Service to submit responses to CHIR 3 and his Motion to Issue an Information Request, and so provide him the time necessary to incorporate these responses into his Comments.

Accordingly, the Public Representative requests that the Commission grant him leave to file his Comments in this Docket on March 5, 2021. He submits that this modest extension is warranted under these circumstances, and will not noticeably delay the proceeding or adversely affect any participant.

Respectfully Submitted
