Request at 1. The Postal Service also maintains that the prices and classification changes applicable to Contract 13 are supported by Governors' Decision No. 19-1.³ The Postal Service further asserts that the Statement of Supporting Justification (Statement) provides support for adding Contract 13 to the competitive product list and the compliance of the instant contract with 39 U.S.C. § 3633(a). The effective date for Contract 13 is 3 business days following the day on which the Commission issues all necessary regulatory approvals. *Id.*, Attachment B, at 9. COMMENTS

The Public Representative has reviewed the Postal Service's Request, the Statement of Supporting Justification, as well as Contract 13 and the financial data filed under seal with the Postal Service's Request. Based upon that review, the Public Representative concludes that Parcel Select & Parcel Return Service Contract 13 should be classified as a competitive product and added to the competitive product list. In addition, it appears that Contract 13 should generate sufficient revenues to cover costs and thereby satisfy 39 U.S.C. § 3633(a).

³ Decision of the Governors of the United States Postal Service on Establishment of Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates, February 7, 2019 (Governors' Decision No. 19-1).

Product List Assignment. Pursuant to 39 U.S.C. § 3642, the Postal Service requests that Parcel Select & Parcel Return Service Contract 13 be added to the competitive product list. 39 U.S.C. § 3642 requires the Commission to consider whether “the Postal Service exercises sufficient market power that it can effectively set the price of such product substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar products.” 39 U.S.C. § 3642(b)(1). Products over which the Postal Service exercises such power are categorized as market dominant while all others are categorized as competitive.

The Postal Service’s Statement of Supporting Justification (Statement) makes a number of assertions that address the considerations of section 3642(b)(1). Request, Attachment D at 2. These assertions appear reasonable. Based upon the Statement, the Public Representative concludes that the Postal Service’s Request to add Parcel Select & Parcel Return Service Contract 13 to the competitive product list is appropriate.

Requirements of 39 U.S.C. § 3633. Pursuant to 39 U.S.C. § 3633(a), the Postal Service’s competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial data, the negotiated prices for Contract 13 should generate sufficient revenues to cover costs during the first year and therefore meet the requirements of 39 U.S.C. § 3633(a). In addition, while Contract 13 is expected to remain in effect beyond a year, during this period, the contract contains a mechanism for the upward annual adjustment of prices.

Finally, the Postal Service must file revenue and cost data for Contract 13 in future Annual Compliance Reports. This data will permit the Commission to review the financial results for Parcel Select Contract 13 in a future Annual Compliance Determination (ACD) report for compliance with 39 U.S.C. § 3633(a).

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
