POSTAL REGULATORY
COMMISSION

Dear Representative Diana Harshbarger,
Senator Marsha Blackburn, &
Senator Bill Hagerty

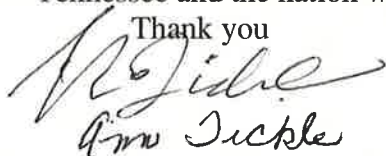

Our 2020 Federal Tax Return was mail via Certified Mail on 17 March 2021 at Manley OPU in Morristown, TN, and as of today, 31 May 2021, at 9:22am, when we checked the status of our return again on the "Refund Fund Hot Line," the recorded response was, "we cannot provide any information about this return."

We can only conclude that our return is either languishing enroute in a US Postal facility or in the Dept of the Treasury IRS facility in Kansas City, MO.

As our Federal representatives in Washington, DC, we urgently request that you vote to fully fund these two essential services that they may have the needed personnel and equipment to perform their mission in a timely fashion.

We are very much aware that you have not voted for or will likely ever vote for any stimulus, voters' rights, 6 Jnauary2021 attack on the Capitol Building fact finding commission, or infrastructure legislation while serving in this Congress. Please step-up help to the citizens of Tennessee and the nation with the problems also.

Thank you

J. R. & Ann Tickle
