POSTAL REGULATORY
COMMISSION

I am writing to voice my
objections to "Postmaster" De Joy's
10-year plan.

- Service cuts - No! Increase
services: financing, banking, ATM,
internet, licenses, charging stations
- Longer delivery times - No!
3-5 days standard has
worked for decades.
- Higher postage prices -
As reasonably needed
- Close More Post Offices - No!
They keep our citizens connected
- Stop Air Mail - No! Its been
working for decades.

Sincerely, Hilary M. Beste
