WITH FOREIGN POSTAL OPERATOR – FY22-3

(Issued January 10, 2022)

I. INTRODUCTION

On December 14, 2021, the Postal Service filed a notice with the Commission pursuant to 39 C.F.R. § 3035.105 and Order No. 546,¹ stating that it has entered into an

¹ Notice of United States Postal Service of Filing Functionally Equivalent Inbound Competitive Multi-Service Agreement with Foreign Postal Operator – FY22-3, December 14, 2021, at 1 (Notice). The Postal Service refers to the agreement as “FPO-USPS Agreement FY22-3.” *Id.* See Docket Nos. MC2010-34 and CP2010-95, Order Adding Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 to the Competitive Product List and Approving Included Agreement, September 29, 2010 (Order No. 546).

Inbound Competitive Multi-Service Agreement with a Foreign Postal Operator (FPO). The Notice concerns the inbound portions of a competitive multi-product agreement referred to as the FPO-USPS Agreement FY22-3. Notice at 1. The Postal Service seeks to include the FPO-USPS Agreement FY22-3 within the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product. *Id.*

For the reasons discussed below, the Commission approves the addition of the FPO-USPS Agreement FY22-3 to the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product.

II. BACKGROUND

The FPO-USPS Agreement FY22-3 is intended to become effective on January 1, 2022. *Id.* at 1, 6. Unless terminated earlier, it will expire on December 31, 2022. *Id.* at 6. Except as otherwise agreed to by contract, the FPO exchanges mail with the Postal Service and applies the Universal Postal Convention and Universal Postal Convention Regulations to those exchanges. *Id.* The competitive services offered by the Postal Service to the FPO in the FPO-USPS Agreement FY22-3 include rates for inbound tracked packets. *Id.* The Postal Service states that “[m]any rates will be based on a per-piece and per-kilo structure and in Special Drawing Rights....” *Id.* (footnote omitted). Only the inbound portions of the FPO-USPS Agreement FY22-3 that concern competitive products are included in the proposal filed in this docket. *Id.* Outbound delivery of competitive postal products within the FPO’s country have not previously been presented to the Commission and are not presented in this Notice. *Id.* In the Notice, the Postal Service asserts that the FPO-USPS Agreement FY22-3 is functionally equivalent to the baseline agreement for the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product and requests that the agreement be added to the existing Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product. *Id.* at 3.

Accompanying the Notice are:

- Attachment 1—an application for non-public treatment of materials to maintain redacted portions of the agreement and supporting documents under seal;
- Attachment 2—a redacted copy of the FPO-USPS Agreement FY22-3;
- Attachment 3—a copy of the Governors' Decision No. 19-1;
- Attachment 4—a certified statement required by 39 C.F.R. § 3035.105(c)(2); and
- Supporting financial documentation as separate Excel files.

On December 15, 2021, the Commission issued a notice establishing the instant docket, appointing a Public Representative, and providing interested persons with an opportunity to comment.²

III. COMMENTS

The Public Representative filed comments on December 20, 2021.³ No other comments were received. Based upon a review of the Postal Service's Notice and supporting documentation, the Public Representative concludes that the FPO-USPS Agreement FY22-3 is functionally equivalent to the baseline agreement. PR Comments at 2. He also finds that the provisions of the FPO-USPS Agreement FY22-3 are fundamentally equivalent to those of the baseline agreement. *See id.* at 2-3. Finally, he finds that prices in the FPO-USPS Agreement FY22-3 should generate sufficient revenues to cover costs and therefore meet the requirements of 39 U.S.C. § 3633(a). *See id.* at 3. For these reasons, he recommends the Commission approve the addition

of the FPO-USPS Agreement FY22-3 to the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product. *Id.*

IV. COMMISSION ANALYSIS

The Commission's responsibilities in this case are to ensure that the FPO-USPS Agreement FY22-3 is functionally equivalent to the baseline agreement established for the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product and satisfies the requirements of 39 U.S.C. § 3633 and applicable Commission rules (39 C.F.R. §§ 3035.105 and 3035.107).

Functional equivalence. In Order No. 546, the Commission added the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product to the competitive product list and established a baseline agreement for assessing the functional equivalence of future agreements proposed for inclusion within the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product.⁴

The Postal Service asserts that its filing demonstrates that the FPO-USPS Agreement FY22-3 is functionally equivalent to the baseline agreement, and requests that the agreement be included within the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product. Notice at 3. It asserts that the FPO-USPS Agreement FY22-3 fits within the Mail Classification Schedule language for the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product. *Id.* at 6. The Postal Service also asserts that the FPO-USPS Agreement FY22-3 and the baseline agreement are materially similar with respect to products and cost characteristics. *Id.* at 7. The Postal Service identifies a number of differences between the FPO-USPS Agreement FY22-3 and the baseline agreement, but asserts

⁴ See Order No. 546 at 9. The agreement was with Koninklijke TNT Post BV and TNT Post Pakketservice Benelux BV. *Id.* at 1-2. See also Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Inbound Competitive Multi-Service Agreements with Foreign Postal Operators (Governors' Decision No.10-3), August 6, 2010; Docket No. CP2011-69, Order Concerning an Additional Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 Negotiated Service Agreement, September 7, 2011, at 5 (Order No. 840).

that these differences do not affect the fundamental service being offered or the fundamental structure of the agreements.⁵

The Commission has reviewed the Postal Service's reasons for asserting that the FPO-USPS Agreement FY22-3 shares similar cost characteristics with the baseline agreement, meets the pricing formula, and falls within the classification established in the Governors' Decision authorizing this product. It also has considered the Public Representative's comments.

The Commission concludes that the FPO-USPS Agreement FY22-3 is functionally equivalent to the baseline agreement and that the differences between the two agreements do not fundamentally alter either the service the Postal Service will provide under the FPO-USPS Agreement FY22-3 or the structure of the FPO-USPS Agreement FY22-3. The Commission therefore finds that the FPO-USPS Agreement FY22-3 may be included within the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product.

Cost considerations. The Commission reviews each competitive product to ensure that it covers its attributable costs, does not cause market dominant products to subsidize competitive products as a whole, and contributes to the Postal Service's institutional costs. 39 U.S.C. § 3633(a); 39 C.F.R. §§ 3035.105 and 3035.107. As long as the revenue generated by a product exceeds its attributable costs, the product is unlikely to reduce the contribution of competitive products as a whole or to adversely affect the ability of competitive products as a whole to contribute an appropriate share of institutional costs. In other words, a product that covers its attributable costs is likely to comply with 39 U.S.C. § 3633(a).

The Commission has reviewed the Postal Service's filing, including supporting financial analyses provided under seal, and the Public Representative's comments. Based on this review, the Commission finds that the FPO-USPS Agreement FY22-3

⁵ *Id.* at 7-9. Differences include, among others, revisions to negotiated prices for inbound tracked packets, revisions to existing articles and attachments, and inclusion of new articles and annexes. *Id.*

should cover its attributable costs. The addition of the FPO-USPS Agreement FY22-3 to the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product should not cause cost coverage for the product to fall below 100 percent. Consequently, the Commission finds that the addition of the FPO-USPS Agreement FY22-3 to the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product should allow the product to continue to comply with 39 U.S.C. § 3633(a)(2). Because it finds that the addition of the FPO-USPS Agreement FY22-3 to the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product should allow the product to cover its attributable costs, the Commission concludes that the addition of the FPO-USPS Agreement FY22-3 to the product should not result in competitive products as a whole being subsidized by market dominant products, in accordance with 39 U.S.C. § 3633(a)(1).

Similarly, the Commission finds the addition of the FPO-USPS Agreement FY22-3 to the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product is unlikely to prevent competitive products as a whole from contributing an appropriate share of institutional costs, consistent with 39 U.S.C. § 3633(a)(3). Accordingly, a preliminary review of the FPO-USPS Agreement FY22-3 indicates it is consistent with section 3633(a). The Commission will review the cost coverage of the FPO-USPS Agreement FY22-3, the cost coverage of the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product, and the contribution of competitive products as a whole to the Postal Service's institutional costs in the Annual Compliance Determination to ensure that they continue to comply with 39 U.S.C. § 3633(a).

Other considerations. The intended effective date of the FPO-USPS Agreement FY22-3 is January 1, 2022. Notice at 1, 6; *id.* Attachment 2 at 7. The Postal Service shall promptly notify the Commission should there be a change in the effective date of the FPO-USPS Agreement FY22-3. The agreement is set to expire December 31, 2022, unless terminated earlier in accordance with Article 9 of the FPO-USPS Agreement FY22-3. *Id.* If the agreement is terminated prior to the scheduled expiration

date, the Postal Service shall promptly file notice of such termination with the Commission in this docket.

V. ORDERING PARAGRAPHS

1.
