MAILING ONLINE EXPERIMENT

Docket No. MC2000-2

**MOTION BY PRINTIMAGE INTERNATIONAL
FOR LATE INTERVENTION**

PrintImage International hereby files this motion for late intervention in these proceedings. PrintImage is a trade association of approximately 2000 small printers and copy shops. Set forth in the notice of intervention, PrintImage's interest in these proceedings concerns the impact of the MOL experiment on those of its members who also offer mailing services.

PrintImage does not believe that its late intervention will cause any delay in the proceedings. PrintImage intends to participate in these proceedings principally on a cooperative basis with Mail Advertising Service Association International, which was a full participant in the predecessor docket, MC98-1, and is conversant with the matters under consideration in this docket.

Respectfully submitted,

Graeme W. Bush, Esq.
