OCA/USPS-T33-4. Please refer to your response to OCA/USPS-T29-8 (redirected from Witness Campbell). You state, "My proposed increase in the passthrough in the current docket is consistent with a discount that is now established."

- (a) Please state all of the reasons you believe the QBRM discount is "now established."
- (b) Please provide all *actual* cost, revenue, and other data which have been collected for QBRM.

OCA/USPS-T33-5. Please refer to your response to OCA/USPS-T29-8 (redirected from Witness Campbell). You state, "In the current docket, I have proposed discounts for both QBRM letters and cards of three cents below the proposed single piece rates of 34 cents for letters and 21 cents for cards." Was the passthrough percentage a factor in your discount proposals, or was the 90-percent passthrough simply a result of your proposals? Please explain fully.

OCA/USPS-T33-6. Are you aware of any information that shows whether QBRM has "attracted more volume from First-Class Mail than anticipated?" If so, please provide all such information.

CERTIFICATE OF SERVICE

I hereby certify that I have this date served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the rules of practice.
