ABOUT PRC WEBSITE OPEN HOUSE

(February 16, 2000)

Last November the Commission updated its website (www.prc.gov). The new site is dynamic, pulling information directly from the Commission's own databases, and provides a variety of ways to find filings.

To help users make the most of the website during the current rate case, the Commission plans to hold an open house on February 22, 2000 from 10:00 a.m. to 2:30 p.m in the Commission's Hearing Room, 1333 H Street, NW, Suite 300, Washington, DC. All interested members of the public, the postal bar and support staff are invited to drop in at any time. Commission staff will be on hand to answer questions, demonstrate search techniques, and take suggestions. There will be several laptops available for practice.
