Docket No. R2000-1

MOTION OF LATE ACCEPTANCE OF OBJECTION OF THE UNITED STATES  
POSTAL SERVICE TO INTERROGATORY ANM/USPS-T10-32(d)  
(February 22, 2000)

The United States Postal Service hereby moves for late acceptance of its pleading, Objection of the United States Postal Service to Interrogatory ANM/USPS-T10-32(d), filed separately today.

The Postal Service originally believed it had responsive materials it could provide without objection, and thus did not include this interrogatory subpart in its initial objection to others in this set, filed on February 17.<sup>1</sup> Late Friday afternoon, February 18, it was discovered that materials possibly responsive to the interrogatory contained information subject to objection.

This objection is two business days late. Accordingly, the Postal Service does not believe that anyone will be harmed by late acceptance.
