Docket No. R2000-1

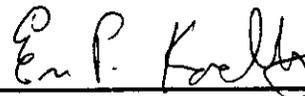

NOTICE OF THE UNITED STATES POSTAL SERVICE  
OF FILING OF REPLACEMENT CD-ROM FOR  
USPS-LR-I-150 -- ERRATA  
(March 14, 2000)

In conjunction with yesterday's notice regarding the second set of revisions to the testimony and supporting material of witness Kay, the Postal Service hereby gives notice that the replacement CD-ROM for LR-I-150 discussed therein is being filed today with the Commission. All of the file changes reflected in the new CD-ROM were listed in one of the attachments to yesterday's notice. Although logistical difficulties prevented contemporaneous filing of copies of the CD-ROM yesterday, the new disks bear the date of "3/13/2000" to maintain the connection with all of the related material filed on that date yesterday. As stated in yesterday's notice, the new disk completely replaces any previous versions of the LR-I-150 CD-ROM, and contains all of the incremental cost models for which results are provided in witness Kay's revised testimony.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
