POSTAL RATE COMMISSION  
OFFICE OF THE SECRETARY

POSTAL RATE AND FEE CHANGES, 2000

Docket No. R2000-1

REQUEST OF THE UNITED STATES POSTAL SERVICE  
FOR LEAVE TO RECLASSIFY LR-I-53 AND MOTION TO  
AMEND PRESIDING OFFICER'S RULING NO. R2000-1/13

In preparing its filing, the Postal Service intended to designate LR-I-53 as a Category 1 library reference. It contains TRACS documentation for Freight Rail transportation. Such a designation would be consistent with Library References 49-52, which contain analogous TRACS documentation for commercial air, passenger rail, network air, and highway transportation, and which were properly designated as Category 1 library references. Unfortunately, through inadvertent clerical error, LR-I-53 was entered on the Master List as a Category 2 library reference. Based on that misclassification, LR-I-53 was erroneously included in the list of Category 2 library references for which a waiver was requested, and omitted from the list of Category 1 references. The Postal Service hereby moves for leave to change the designation of LR-I-53 from Category 2 to Category 1.

In conjunction with this request, the Postal Service also moves for amendment of Presiding Officer's Ruling No. R2000-1/13. Specifically, the Postal Service requests that LR-I-53 be removed from the list of Category 2 library references for which the

Postal Service is to provide a sponsoring witness at hearings.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
