**STATEMENT OF COMPLIANCE
WITH PROTECTIVE CONDITIONS**

The following protective conditions limit access to materials provided in Docket No. R2000-1 by the Postal Service in response to Presiding Officer Ruling No. R2000-1/21 (hereinafter, "these materials"). Individuals seeking to obtain access to such material must agree to comply with these conditions, complete the attached certifications, provide the completed certifications to the Commission, and serve them upon counsel for the party submitting the confidential material.

1. Only a person who is either:
 - (a) an employee of the Postal Rate Commission (including the Office of the Consumer Advocate) with a need-to-know; or
 - (b) a participant in Postal Rate Commission Docket No. R2000-1; or a person employed by such participant, or acting as agent, consultant, contractor, affiliated person, or other representative of such participant for purposes related to the litigation of Docket No. R2000-1; shall be granted access to these materials. However, no person involved in competitive decision-making for any entity that might gain competitive advantage from use of this information shall be granted access to these materials. "Involved in competitive decision-making" includes consulting on marketing or advertising strategies, pricing, product research and development, product design, or the competitive structuring and composition of bids, offers or proposals. It does not include rendering legal advice or performing other services that are not directly in furtherance of activities in competition with a person or entity having a proprietary interest in the protected material.
2. No person granted access to these materials is permitted to disseminate them in whole or in part to any person not authorized to obtain access under these conditions.
3. The final date of any participant's access shall be:
 - (a) the date on which the Postal Rate Commission issues its recommended decision or otherwise closes Docket No. R2000-1; or
 - (b) the date on which that participant formally withdraws from Docket No. R2000-1; or

- (c) the last date on which the person who obtains access is under contract or retained or otherwise affiliated with the Docket No. R2000-1 participant on whose behalf that person obtains access, whichever comes first. The participant immediately shall notify the Postal Rate Commission and counsel for the party who provided the protected material of the termination of any such business and consulting arrangement or retainer or affiliation that occurs before the closing of the evidentiary record.
- 4. Immediately after the Commission issues its last recommended decision in Docket No. R2000-1, a participant (and any person working on behalf of that participant) who has obtained a copy of these materials shall certify to the Commission:
 - (a) that the copy was maintained in accordance with these conditions (or others established by the Commission); and
 - (b) that the copy (and any duplicates) either have been destroyed or returned to the Commission.
- 5. The duties of any persons obtaining access to these materials shall apply to material disclosed or duplicated in writing, orally, electronically or otherwise, by any means, format, or medium. These duties shall apply to the disclosure of excerpts from or parts of the document, as well as to the entire document.
- 6. All persons who obtain access to these materials are required to protect the document by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized disclosure of the document as those persons, in the ordinary course of business, would be expected to use to protect their own proprietary material or trade secrets and other internal, confidential, commercially-sensitive, and privileged information.
- 7. These conditions shall apply to any revised, amended, or supplemental versions of materials provided in Docket No. R2000-1.
- 8. The duty of nondisclosure of anyone obtaining access to these materials is continuing, terminable only by specific order of the Commission.
- 9. Any Docket No. R2000-1 participant or other person seeking access to these materials by requesting access, consents to these or such other conditions as the Commission may approve.
