Mr. Chairman, I would like to make a request for further information, if the Postal Service has it, as to any literature they might have that defines these terms [Processing and Distribution Center, Customer Service District, Cluster, and Area], literature that is actually used by operations personnel.

Response

The only responsive information the Postal Service has been able to locate is the document containing official Postal Service definitions for the new purchased highway transportation accounts, attached as Appendix B to witness Bradley's testimony (USPS-T-18). If further information is located, it will be supplied.

CERTIFICATE OF SERVICE

I hereby certify that I have this day served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the Rules of Practice.
