Docket No. R2000-1

NOTICE OF UNITED STATES POSTAL SERVICE OF FILING REVISED RESPONSE  
TO NAA/USPS-T5-31, TR. 2/791-93 [ERRATUM]  
(May 2, 2000)

The United States Postal Service hereby gives notice of the filing of a revised response to part (f) of the original response to NAA/USPS-T5-31, Tr. 2/791-93. The last sentence, which refers to Stratum 3 (one of six strata of non-automated offices underlying BRPW results), was incomplete; it omitted the words, "reporting zero In-County revenue or any offices reporting non-zero Classroom revenue that would otherwise have been assigned to strata 2.1 through 2.5" which should have appeared before the final period.

This error was discovered as witness Hunter continued to review his interrogatory responses and oral cross-examination for consistency and accuracy. His oral cross-examination responses were consistent with the original response to NAA/USPS-T5-31, and are therefore also incorrect.

The sentence ending on line 10 of Tr. 2/929 should have included, "or is non-zero Classroom activity that would otherwise have been assigned to strata 2.1 through 2.5" after the word "determined" and before the period. Similarly, at Tr. 2/94 line 17 which now states, "including 3.0 which has no periodicals activity," is incomplete. It should instead state, "including 3.0 which has no in-county periodicals activity or which has non-zero Classroom activity".

While only part (f) of the response to NAA/USPS-T5-31 is being corrected, it affects pagination; accordingly, the entire interrogatory is followed by the entire response.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.  
Chief Counsel, Ratemaking

Stratum 3.0 represented any remaining offices reporting zero In-County revenue or any offices reporting non-zero Classroom revenue that would otherwise have been assigned to strata 2.1 through 2.5.
