COMPLAINT ON POST E.C.S.

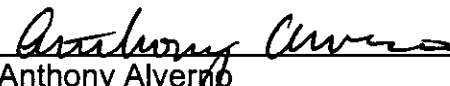

Docket No. C99-1

**UNITED STATES POSTAL SERVICE
NOTICE OF FILING DOCUMENT FOR IN CAMERA INSPECTION**

In note 11 of P.O. Ruling No. C99-1/16, the Presiding Officer explained that the document marked as 5G12-32 was not found in the box of documents provided for *in camera* inspection. This omission was inadvertent. The Postal Service has identified a copy of this document in its files, and is today providing a copy to the Presiding Officer for *in camera* inspection. The Postal Service emphasizes that the disclosure of the document is objectionable on grounds of relevance, as it pertains to Canada Post Corporation, and commercial sensitivity.

By its attorneys:

Chief Counsel, Ratemaking

Attorney
