Docket No. R2000-1

**MAGAZINE PUBLISHERS OF AMERICA, INC.
NOTICE OF FILING LIBRARY REFERENCES**

(August 14, 2000)

Pursuant to the Commission's Rules, Magazine Publishers of America (MPA) hereby gives notice of the filing of two library references. MPA-LR-12, is a Category 2 Library Reference. This library reference updates MPA-LR-3 and contains the SAS programs used to implement the mail processing distribution changes that are proposed by witnesses Stralberg (TW-T-1) and Cohen (MPA-T-1). It also contains output files from these programs that give mail processing volume-variable costs by subclass and cost pool. MPA-LR-13 is also a Category 2 Library Reference. This library reference updates MPA-LR-4. It contains an Excel workbook that develops Test Year costs by subclass to reflect the Base Year cost changes for mail processing, city carriers, rural carriers, and purchased transportation costs that are presented by Periodicals mailers witnesses. It

also calculates final adjustments for the Periodicals Regular and Periodicals Nonprofit subclasses and takes into account cost savings from Postal Service/Industry cost reduction efforts.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James P. Myers", is written over a solid horizontal line.

James Pierce Myers
