RESPONSE OF POSTAL SERVICE REBUTTAL WITNESS RAYMOND TO QUESTION POSED AT HEARING

Tr. 40/17963-73: The witness was asked to provide a list of taped sequences on which he relied when writing various statements on page 10 of his testimony.

RESPONSE:

Attached is the information upon which I relied in making the statements on page 10, lines 1 through 9 of my testimony. I also relied on my personal viewing of the videotapes and my recollection of that viewing. My notes in the listing do not appear to specify where I saw the carrier drop pieces of mail, and in the short time I have had to revisit this. I have not been able to identify the location of such instances.
