Docket No. R2000-1

NOTICE OF UNITED STATES POSTAL SERVICE REGARDING HEARING  
QUESTION POSED TO WITNESS DOWLING, USPS-RT-3  
(September 11, 2000)

The United States Postal Service hereby gives notice regarding a question posed during oral cross-examination of rebuttal witness Dowling. At Tr. 46A/20502-04<sup>1</sup>, counsel for ANM requested copies of documents that he had already requested via written interrogatories, but which he had been told do not exist. The Postal Service agreed to check yet again. No responsive documents have been identified or located.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.  
Chief Counsel, Ratemaking

Kenneth N. Hollies

<sup>1/</sup> The Postal Service first received any copies of the transcript from the August 31, 2000 hearing at the close of business on September 8, 2000. While the reporting company failed to provide electronic copy of the transcript (which apparently was delivered to some participants a full week earlier), Commission administrative staff succeeded in providing the electronic copy later in the evening of September 8. Postal Service counsel is quite appreciative of this assistance.

## CERTIFICATE OF SERVICE

I hereby certify that I have this day served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the Rules of Practice.
