Docket No. R97-1

NOTICE OF UNITED STATES POSTAL SERVICE OF FILING
REVISED INTERROGATORY RESPONSE
(August 25, 1997)

The United States Postal Service hereby provides notice that it is today filing a revised response to interrogatory OCA/USPS-10. The interrogatory had requested, among other documents, a copy of United States Postal Inspection Service National Coordination Audit 026-1200672-PA(1), National Audit of Mail Volume Measurement & Reporting Systems. The response, filed Friday, August 22, 1997, indicated that a copy of the requested report had been filed previously, in response to OCA/USPS-1. After filing this response, undersigned counsel discovered that, although the subject matter and title of the requested report corresponded to the earlier provided report, the report number did not.

The Postal Inspection Service advised the undersigned that the discrepancy was due only to the continuation of the audit over two fiscal years, and that the report requested in OCA/USPS-10 and the report furnished in response to OCA/USPS-1 were indeed one and the same.

- 2 -

The undersigned counsel notified counsel for the OCA of her confusion on Friday afternoon, and provides a revised response herewith.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

RESPONSE:

The Postal Service provided a copy of 034-1177491-PA(1), National Audit of Mail Volume Measurement & Reporting Systems, in LR-H-220. This is the first report requested above; the numbers differ because the audit continued over two fiscal years, and was "closed out" at the end of its first fiscal year then reopened at the start of the next. Copies of the other requested materials are being provided in LR-H-236, which is being filed today.

CERTIFICATE OF SERVICE

I hereby certify that I have this day served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the Rules of Practice.
