OCA/USPS-314. This interrogatory follows up on the Postal Service's compelled response to interrogatory OCA/USPS-77. Interrogatory no. 77 specifically asked for "a copy of the source if one has not been previously filed in this docket." OCA appreciates the Postal Service's effort to furnish an answer as expeditiously as possible, including the hand carrying of a copy of the mailing. OCA still has no idea about how this figure was calculated, having seen only the total figure of \$41,945,027.73. Please provide a copy of the source for this total, which should include all components comprising the total (possibly in the form of a worksheet), and any source documents from which the cost components have been transferred, derived, or extracted.

CERTIFICATE OF SERVICE

I hereby certify that I have this date served the foregoing document upon all participants of record in this proceeding in accordance with Rule 12 of the rules of practice.
