Dear Dan,

This letter serves officially to give notice that the Coalition of Religious Press Associations and the National Federation of Independent Publications, both full intervenors in Docket No. R2001-1, endorse the Stipulation and Agreement as it was revised (December 26, 2002). The settlement proposed by the stipulation and the attachments to it, fully resolve all outstanding issues in Docket R2001-1. The terms and conditions set forth in the Stipulation and Agreement, by the document's own language, establishes no precedent for any rate or rate design recommended except in connection with the settlement of this case. With that understanding, I submit to you this document and authorize you to inform the Postal Rate Commission that CRPA and NFIP are signatories to the Stipulation and Agreement.

Sincerely,

Stephen M. Feldman
