NOTICE OF INTERVENTION OF AMERICAN BUSINESS MEDIA

Pursuant to Section 20 of the Commission's Rules of Practice and Order No. 1346 issued September 24, 2002, American Business Media hereby notices its intervention as a full participant in the above-captioned docket.

American Business Media is an association of the nation's leading publishers of business, professional and medical periodicals, which are mailed almost exclusively at the regular Periodicals rates. American Business Media members publish more than 1,200 periodicals and pay roughly \$300,000,000 in Periodicals postage alone. They also use substantial amounts of First-Class and Standard mail.

Although American Business Media is not directly affected by the proposed NSA, its interests are affected by this proceeding, primarily because, as the first of its kind, it is likely to establish ground rules for future NSA proceedings.
