NOTICE OF INTERIM UPDATE ON SETTLEMENT NEGOTIATIONS

This serves as an interim update on settlement negotiations. A majority of intervenors have indicated that they will sign a draft stipulation and agreement shared among the participants. A few intervenors have also indicated that they probably will not be opposed to settlement.

The undersigned settlement coordinator is attempting to secure additional signatories, and expects to file a further update or a settlement document with the Commission on or before May 1, as provided in P.O. Ruling No. MC2003-1/1.

Respectfully submitted,
