Docket No. R97-1

NOTICE OF UNITED STATES POSTAL SERVICE OF FILING OF ERRATA TO
LIBRARY REFERENCES H-107 AND H-129
(September 12, 1997)

The United States Postal Service hereby provides notice that it is today filing errata to Library References H-107 and H-129. The revision to library reference H-107 changes "attr." to "vol var" on page 48, to reflect current Postal Service terminology. A revised diskette for the entire library reference is also being filed today, replacing the current diskette in LR-H-107. This diskette includes an electronic copy of pages 49 and 50, which was omitted from previous versions of the diskette filed with this library reference. The revised page 48 is attached to this Notice.

In preparing the response to APWU/USPS-T29-1, an error in the explanation of the calculation presented on page II-3 of library reference H-129 was discovered. Revised Page II-3, with the revisions shaded, is also attached to this Notice.

The Postal Service regrets any inconvenience these errors may have caused.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.
Chief Counsel, Ratemaking
