## Interrogatories to USPS Witness Adra

### FGFSA/USPS - T38-1

In your proposed rate design for the classes of mail covered by your testimony you propose an add-on of 2 cents per pound "to recover weight-related non-transportation costs".

- a) identify the specific costs which are included as "weight-related non-transportation costs".
- b) Identify any study which specifies and quantifies "weight-related non-transportation costs".
- c) {provide a complete explanation of the method you used to determine that 2 cents per pound is the proper amount to cover such costs.
- d) Provide a statement as to the amount of each costs for which the 2 cents per pound is designed to cover.
- e) Explain why the add-on is different for the several rate categories of Bound Printed Matter, as shown on page 8 of your testimony.

CERTIFICATE OF SERVICE
