

USPS LR-K-104

PRC VERSION OF

**SUPPORTING MATERIALS FOR COST OF BUSINESS REPLY MAIL,
MISCELLANEOUS FEES, AND PICKUP SERVICE**

INTRODUCTION

Library reference USPS LR-K-104 is a category 5 library reference that contains both hardcopies and electronic copies of the Postal Rate Commission (PRC) version of the cost studies found in the testimony of witness Hatcher (USPS-T-22). These cost studies include: Qualified Business Reply Mail (QBRM) Letters/Cards Cost Avoidance, BRM and Miscellaneous fees and Pickup Service. These studies use the PRC version of various data inputs.

A. QUALIFIED BUSINESS REPLY MAIL (QBRM) LETTERS/CARDS COST AVOIDANCE

The QBRM Letters/Cards Cost Avoidance cost study is found in the EXCEL file USPS LR-K-104.XLS. This cost study uses the PRC version of various data inputs to calculate the worksharing related savings estimate for the QBRM letters and cards.

B. BUSINESS REPLY MAIL AND MISCELLANEOUS FEES

The cost studies for the following Special Services fees are found in the EXCEL file USPS LR-K-104.XLS: Annual Permit fee, Annual Accounting fee, QBRM Quarterly fee, Non-Letter Size BRM Monthly fee, High Volume QBRM Per-Piece fee, Basic QBRM Per-Piece fee, High Volume BRM Per-Piece fee, Basic BRM Per-Piece fee, and Non-Letter Size BRM Per-Piece fee.

C. PICKUP SERVICE

The Scheduled and On-Call Pickup Service cost study is found in the EXCEL file USPS LR-K-104.XLS.
