POSTAL RATE AND FEE CHANGES

Docket No. R2005-1

**Major Mailers Association's Motion To Supplement Designation Of
One Institutional Response As Written Cross-Examination**

Major Mailers Association (MMA) hereby requests leave to supplement the timely institutional designations it made on July 8, 2005 to include a 57 page printout of Excel File MMA-USPS-T21-26_-_FCM_Million.xls, which was included as part of the Postal Service's May 20, 2005 institutional response to Interrogatory MMA/USPS-T21-26 (redirected from USPS witness Abdurahman). This supplement includes a cover sheet prepared by MMA so that the materials can easily be identified as part of the response to MMA/USPS-T21-26.

MMA's July 8 designations did include designation of the institutional response to Interrogatory MMA/USPS-T21-26. The packet of materials that MMA filed therewith did include the complete printout of the Adobe pdf file furnished with the Postal Service's response but, due to counsel's oversight, omitted the additional information included in the Excel document.

The Excel spreadsheet originally submitted by the Postal Service could not be printed on standard size paper. However, on July 15, 2005 the USPS kindly furnished MMA with a reformatted version that can be printed.

No party will be prejudiced by a grant of this motion and counsel for the Postal Service has authorized MMA to state that the Service has no objection to a grant of this motion.

Respectfully submitted,

Major Mailers Association
