**NOTICE OF INTERVENTION OF AMERICAN BUSINESS MEDIA
AS A LIMITED PARTICIPANT
(July 29, 2005)**

Pursuant to Order No. 1441, issued in this docket on July 19, 2005, and Section 20a the Commission's Rules of Practice, American Business Media hereby notices its intervention as a limited participant in the above-captioned docket.

American Business Media is an association of the nation's leading publishers of business, professional and medical periodicals, which are mailed almost exclusively at the regular Periodicals rates. American Business Media members publish more than 1,600 periodicals and pay more than \$300,000,000 in Periodicals postage alone. They also use substantial amounts of First-Class and Standard mail and lesser amounts of other classes. Any negotiated service agreement can potentially impact all mailers, and, accordingly, American Business Media has an interest in this proceeding.

At this time, American Business Media takes no position on the merits of the agreement filed and states that it is unlikely that it will participate actively in any hearings that might be held in this docket.

American Business Media requests that the following name be included
