Preface:

This Category 3 library reference provides all updates to national agreements between the United States Postal Service and its labor organizations that occurred after April 8, 2005, the date on which the last omnibus rate case, Docket No. R2005-1, was filed. In that docket, library reference USPS-LR-K-42 provided the full text, in both hard copy and electronic forms, of agreements (and any updates or extensions) with the National Association of Letter Carriers AFL-CIO (Handbook EL-901); the National Postal Mail Handlers Union, A Division of the Laborers' International Union of North America, AFL-CIO (Handbook EL-903); the National Rural Letter Carriers' Association (Handbook EL-902); and the American Postal Workers Union, AFL-CIO (Handbook EL-912). Anyone interested in those materials should examine library reference USPS-LR-K-42, since they are not being re-filed in this docket.

The updates consist of 16 Memoranda of Understanding (MOUs) that apply only to the agreement with the American Postal Workers Union, AFL-CIO; all are dated September 12, 2005. The MOUs are provided in both hard copy and on CD-ROM.

The two electronic documents use self-explanatory filenames:
