POSTAL RATE COMMISSION
WASHINGTON, D.C. 20268-0001

POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF FILING OF MASTER LIST OF LIBRARY REFERENCES
(May 3, 2006)

The United States Postal Service hereby gives notice that it has today filed the library references identified on the attached master list. These library references are filed in conjunction with the request for postal rate and fee changes filed today. It is requested that intervenors read the extensive documentation provided prior to directing discovery requests to the Postal Service on topics which reasonably could be anticipated to be covered in these references. The testimonies of the postal witnesses have been drafted to provide ample direction to the various supporting materials filed by each witness (including those contained within these references).

In compliance with the Commission's rules on library references, the master lists indicates the relevant category for each library reference submitted. By separate pleading, any necessary waivers have been requested for Category 1, Category 2, Category 3, and Category 5 library references. No Category 4 or Category 6 references are included with the Request in this case. For all Category 2 references, the list also indicates, by witness name or number, the testimony with which the library reference is associated.

Parties are alerted that, as indicated on the attached list, LR-L-35 has been

prepared, but has not been filed pending a ruling on protective conditions. By separate pleading today, the Postal Service is requesting that protective conditions be established to restrict access to those materials, which include privileged proprietary information regarding the transportation contract with FedEx. This procedure (withholding the material in question until protective conditions can be established) follows the practice employed in the last case with respect to similar material relating to the same contract.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:

Eric P. Koetting

CERTIFICATE OF SERVICE

I hereby certify that I have this day served the foregoing document upon all participants of record in this proceeding in accordance with section 12 of the Rules of Practice.
