Dear Mr Williams:

In accordance with the Commission's Opinion and Recommended Decision on Repositionable Notes Provisional Service Change, Docket No. MC2004-5, the Postal Service's second semiannual data report, covering the period October 1, 2005 – March 31, 2006, is attached. Please note that the reporting period has been conformed to the fiscal quarter. The actual data provided in the previous report ended on September 30, 2005 (not October 3, as indicated, since RPN data are aggregated only on a monthly basis); therefore accurate cumulative data for the RPN service to date can be obtained by adding the data in the two reports.

Sincerely,
