Pursuant to Rule 20a the Commission's Rules of Practice, the Association of Alternate Postal Systems ("AAPS") hereby notices its intervention as a limited participator in this docket.

AAPS is an association of companies in the private sector engaged in the delivery of advertising and other materials to homes throughout the country. Its members often use the mail for portions of their deliveries but, more often, compete against major mailers of advertising material. The association, on behalf of its members, therefore has an interest in the outcome of this proceeding.

AAPS does not seek a hearing in this case, but if a hearing is held that encompasses Standard ECR rates, AAPS intends to participate actively in this docket.
