Docket No. R97-1

SUPPLEMENTAL TESTIMONY  
OF  
DAVID E. TREWORGY  
ON BEHALF OF THE  
UNITED STATES POSTAL SERVICE

## SUPPLEMENTAL TESTIMONY OF DAVID E. TREWORGY

I am the same David E. Treworgy whose direct testimony was admitted into evidence in Postal Rate Commission Docket No. R97-1. Tr. 3/1203. The purpose of this supplemental testimony is to sponsor Library Reference H-114, which contains *documentation and spreadsheets that support my direct testimony, specifically input sheet B-3.*

The procedural history of LR-H-114 begins with its filing together with the Postal Service Request and direct case on July 10, 1997. I have responded to Nashua Photo, Inc., et al., interrogatories concerning LR-H-114, specifically NDMS/USPS-T33-20-22, which inquired into the contents of LR-H-114. Tr. 3/1209-13.

The materials contained in LR-H-114 were prepared for me by the Finance Department of the United States Postal Service in response to my specific request. I use it to break out delivery confirmation volume into four types of delivery, via: city carriers, rural carriers, box section clerks, and firm holdouts. I am confident of its authenticity and reliability, and believe that it is appropriately relied upon by experts in my field. I am the only witness in Docket No. R97-1 to use information presented in LR-H-114 and I hereby adopt its contents as my testimony.
