OCA/USPS-T32-19. In the rate design you propose, have you reflected the following cost differences by shape, i.e., letters, flats and parcels?

- a. The city carrier street time delivery costs, if not please explain.
- b. The in-office city carrier costs, if not please explain.
- c. The rural carrier segment 10 costs, if not please explain.
- d. Please provide the specific cites to your testimony and the relevant library references used to develop the information in parts a, b and c of this interrogatory.

OCA/USPS-T32-20. Please confirm that the following flow chart provides a correct overview of the methodology you use in developing First-Class Presort Letter rates. If you are unable to confirm, please explain and indicate what changes need to be made to correct the chart.
