## QUESTIONS

**MPA/USPS-T35-25.** This is a follow-up to your July 19 response to POIR No. 6, Question 1. Please refer to pages 2 and 3 of the attachment to your response, which calculate current and proposed postage for a Nonprofit and a Classroom publication.

(a) Please confirm that Nonprofit and Classroom publications receive a 5% discount on postage (excluding advertising pound and ride-along postage). If not confirmed, please explain fully.

(b) Please confirm that pages 2 and 3 of your attachment do not take this discount into account. If not confirmed, please explain fully.

(c) Please provide a revised response to POIR No. 6, Question 1, that correctly calculates postage for these publications.

**MPA/USPS-T35-26.** This is a follow-up to your July 19 response to POIR No. 6, Question 1. Please refer to page 4 of the attachment to your response, which calculates current and proposed postage for a Science of Agriculture publication.

(a) Please confirm that the postage calculation on this page calculates postage at regular rates, not Science of Agriculture rates. If not confirmed, please explain fully.

(b) Please provide a revised response to POIR No. 6, Question 1, that correctly calculates postage for the Science of Agriculture publication.
