POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF UNITED STATES POSTAL SERVICE OF  
FILING ERRATA TO LIBRARY REFERENCE  
USPS-LR-L-59  
(August 14, 2006) [ERRATA]

The United States Postal Service hereby gives notice of filing a revised library reference USPS-LR-L-59, *Supporting Materials for Final Adjustments, Express Mail Differentials, Pick Up On-Demand Costs, and Special Services Cost Studies (Page)*, a Category 2 library reference sponsored by witness Page (USPS-T-23). Parallel changes to witness Page's testimony are being made contemporaneously. The errata consist of a replacement CD-ROM.

The errata arise from various sources, including other witnesses, discovery responses, and the witness' own reviews. Errata are shaded yellow in the Excel files comprising the library reference. Each change is also identified and described below.

**Changes to: Final Adjustments2008 – USPS.xls**

Tab: Special Services, Mix: cells F7, C8 through H8, D9 through H9, and D10 through H10. These changes flow from revisions to Category 1 library reference USPS-LR-L-77, *FY 2005 Billing Determinants*.

Tab: DC worksheet: cells K6, K8, K9, K11 and K12. These changes relating to Delivery Confirmation should have been made prior to the filing of the Postal Service direct case, but were not incorporated at that time.

Tab: Inputs: cells C41, C42, C43 – D43, C44 – D44, C46 – D46, C47 – D47, C48 – D48. As reflected in (highlighted) cells A59 – D59 and A60 – D60, these changes flow from late changes by witness Kelley to USPS-LR-L-67, *Development of Delivery Costs by Rate Category for First-Class and Standard Mail*.

Tab: Inputs: columns I through BH. New material is included in this tab that was first provided in response to interrogatory UPS/USPS-T23-1 (June 29, 2006).

Tab: Other Adjustments: cells L7 and N7. The inadvertent omission of Parcel Return Service costs for storage and postage due was rectified in the response to interrogatory UPS/USPS-T23-2(f) (July 3, 2006).

Tab: Other Adjustments: cell C48. The original unit cost for the increase in window service costs due to Priority Mail DIM weighting (after rates) relied upon a superseded piggyback factor; consequently, the figure is changed from \$0.5775 to \$0.5963.

**Changes to: Return Receipt.xls**

Tab: RR-1: cell H10, change from 0.307 to 0.414. Also, Tab: RR-2: cell H10, change from 0.307 to 0.324. These changes affect other cells on those tabs, as well as the results in Tab RR-Avg. These changes are made for the reasons explained in witness Page's response to DFC/USPS-T23-6.

The Postal Service is accordingly providing a complete replacement CD-ROM for USPS-LR-L-59 that reflects the errata identified above.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
