WASHINGTON, D.C. 20268-0001

POSTAL RATE AND FEE CHANGES, 2006

Docket No. R2006-1

NOTICE OF UNITED STATES POSTAL SERVICE OF
FILING ERRATA TO LIBRARY REFERENCE USPS-LR-L-111
(August 18, 2006) [ERRATA]

The United States Postal Service hereby gives notice of filing a revised library reference USPS-LR-L-111, *PRC Version / Final Adjustments and Special Services Costs*. The errata consist of a supplemental CD-ROM containing five replacement Excel files, and replacement hard copy Attachments 11, 14A, 14B, 14C, and 14D.

The errata arise from various sources. Errata are shaded yellow in the Excel files comprising the library reference. Each change is also identified and described below.

Changes to: Final Adjustments2008 – PRC.xls

Tab: Special Services, Mix: cells C8 through H8, D9 through H9, and D10 through H10. These changes flow from revisions to Category 1 library reference USPS-LR-L-77, *FY 2005 Billing Determinants*.

Tab: Inputs: cells C43 – D43, C44 – D44, C46 – D46, C47 – D47. As reflected in cell A59. These changes flow from changes to USPS-LR-L-101, *PRC Version/Development of Delivery Costs by Rate Category for First-Class and Standard Mail*, that had not been incorporated in LR-L-111.

Tab: Other Adjustments: cells L7 and N7. The need for Parcel Return Service costs to include storage and postage due was recognized in the response to interrogatory UPS/USPS-T23-2(f) (July 3, 2006).

Tab: Other Adjustments: cell C48. The original unit cost for the increase in window service costs due to Priority Mail DIM weighting (after rates) relied upon a superseded piggyback factor.

Changes to: Return Receipt PRC.xls

Tab: RR-1: cell H10, change from 0.307 to 0.414. Also, Tab: RR-2: cell H10, change from 0.307 to 0.324. These changes affect other cells on those tabs, as well as the results in Tab RR-Avg. These changes are made for the reasons explained in witness Page's response to DFC/USPS-T23-6.

Changes to: BankOne Chase-PRC.xls

Tab: ACS adjustment: cells I5 - J5, I6 – J6 as reflected in highlighted cells. These changes are made to make the library reference consistent with USPS-LR-L-117, PRC Version/Volumes, Characteristics, and Costs of Processing Undeliverable-As-Addressed Mail, TY 2008.

Changes to: Discover – PRC.xls

Tab: ACS adjustment: cells I5 - J5. These changes are made to make the library reference consistent with USPS-LR-L-117, PRC Version/Volumes, Characteristics, and Costs of Processing Undeliverable-As-Addressed Mail, TY 2008.

Changes to: HSBC – PRC.xls

Tab: ACS adjustment: cells I5 - J5. These changes are made to make the library reference consistent with USPS-LR-L-117, PRC Version/Volumes, Characteristics, and Costs of Processing Undeliverable-As-Addressed Mail, TY 2008.

The Postal Service is accordingly providing a complete replacement CD-ROM for USPS-LR-L-111 that reflects the errata identified above.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.
Chief Counsel, Ratemaking
