Docket No. R2006-1

**Notice Of Major Mailers Association, DST Mailing Services, Inc.
and Association For Mail Electronic Enhancement, Inc.
Regarding The Filing Of Category 2 Library Reference MMA-LR-1**

Major Mailers Association, DST Mailing Services, Inc. and Association For Mail Electronic Enhancement, Inc. (jointly MMA) hereby give notice that of the filing of the following **Category 2** library reference sponsored by MMA witness Richard E. Bentley:

MMA-LR-1 - Derivation of Workshare Unit Cost Savings

consisting of the electronic file MMA-LR-1 PresortLtrsWorkshareCostSavings.xls

This voluminous analysis utilizes mail processing costs for metered mail letters (MML) as the benchmark to derive mail processing unit cost savings due to worksharing for First-Class presorted letters. The analysis relies upon the Commission's unit cost pools provided in Library Reference USPS-LR-L-99 and follows the methodology provided in Library Reference USPS-LR-110 with some modifications described in Mr. Bentley's testimony and Technical Appendix I. The mail processing cost savings derived in this library reference are combined with the delivery cost savings developed in Library Reference MMA-LR-2 to derive total workshared cost savings for presorted letters.

Respectfully submitted,

Major Mailers Association
