POSTAL RATE AND FEE CHANGES

Docket No. R2006-1

**Notice Of Major Mailers Association, DST Mailing Services, Inc.
and Association For Mail Electronic Enhancement, Inc.
Regarding The Filing Of Category 2 Library Reference MMA-LR-2**

Major Mailers Association, DST Mailing Services, Inc. and Association For Mail Electronic Enhancement, Inc. (jointly MMA) hereby give notice that of the filing of the following **Category 2** library reference sponsored by MMA witness Richard E. Bentley:

MMA-LR-2 - Derivation of Delivery Unit Cost Savings Due to Worksharing

consisting of the electronic file MMA-LR-2 Workshared Delivery Cost Savings.xls

This voluminous analysis utilizes delivery costs for all single piece letters as the benchmark to derive delivery unit cost savings due to worksharing for First-Class letters. The delivery costs are reconciled to Library Reference USPS-LR-L-67 for each rate category. This library reference also de-averages the reconciled totals, as follows: (1) the delivery costs for First-Class Single Piece letters are de-averaged by type of indicia: metered, stamped and "other" and (2) the delivery costs of Presorted letters are de-averaged for Nonautomation and for each Automation presort level. The results are incorporated into Library Reference MMA-LR-1 which provides cost savings due to both mail processing and delivery.

Respectfully submitted,

Major Mailers Association
