**(September 7, 2006)**

The Greeting Card Association (GCA) hereby gives notice of the filing of two library references:

On July 20, 2006 a control group of 504 square cards and envelopes and a control group of 504 rectangular cards and envelopes were mailed from eight different locations to a central location. The images of the test mail envelopes included in the Library Reference are of the fronts and backs of the test mail envelopes received with the cancellation marks made during processing by the Postal Service.

The material in the Library Reference are discussed in the testimony of GCA witness Raymond Morrissey (GCA-T-3).

- GCA-LR-L-2: Workpapers accompanying the testimony of James A. Clifton (GCA-T-1).

A further description of the materials is contained in the Library Reference.

Respectfully submitted,
