NOTICE OF TIME WARNER INC. OF FILING
LIBRARY REFERENCES TW-LR-4 AND TW-LR-5
(October 19, 2006)

Pursuant to section 31(b)(2) of the Rules of Practice, Time Warner Inc. (Time Warner) gives notice that it is today filing with the Commission on compact disks two copies of the following library references, which are also being provided to the Commission in electronic form for posting on the Commission's web site:

TW -LR-4

Spreadsheet that provides the calculations used to develop test year after-rates billing determinants under Time Warner Periodicals rate proposal for Regular rate, Nonprofit and Classroom Periodicals, as described in witness Stralberg's response to POIR 18, item (a), part 2 of 2 (filed October 17, 2006).

TW-LR-5

Contains two Excel files. (WP-Mitchell-5-06.xls) is a replacement for Mitchell's original workpaper (WP-Mitchell-3F-06.xls in TW-LR-1). The replacement is different only in that it contains a full set of TYBR and TYAR billing determinants and revenues for the Outside County subclass, including the categories of Regular, Nonprofit, and Classroom. (PieceVolumes(3).xls) is a reference file containing piece, bundle, and container counts that were supplied to Mitchell by witness by Stralberg. TW-LR-5 is referenced in Mitchell's response to POIR 18) (filed October 17, 2006).

TW-LR-4 and TW-LR-5 are submitted as category 4 library references ("Material Provided in Response to Discovery"). Time Warner anticipates that it will

move to have these library references entered into evidence and designates witness Stralberg (TW-T-2) as the sponsor of TW-LR-4 and witness Mitchell (TW-T-1) as the sponsor of TW-LR-5.

Respectfully submitted,
