

**BEFORE THE
POSTAL RATE COMMISSION
WASHINGTON, D.C. 20268-0001**

Postal Rate and Fee Changes, 2006

Docket No. R2006-1

**NOTICE OF FILING OF
CORRECTED LIBRARY REFERENCE
POSTCOM-LR-3**

The Association for Postal Commerce and the Mailing and Fulfillment Service Association (hereinafter, collectively "PostCom") gives notice that it is today filing with the Commission a revised copy of the following Category 2 library reference:

POSTCOM-LR-3

Workpapers of Peter A. Angelides, Ph.D., supporting his testimony (PostCom-T-5). PostCom-LR-3 consists of Excel spreadsheet files, and contains the data and formulas used to develop the MM and BPM rates he presents in PostCom-T-5.

The revised library reference replaces the original in its entirety.

Corrections were made as follows.

1. In the workbook entitled "MM Rev 8-10-06 R2006_USPS-LR-L-41 - Rate design half pound.xls", at the worksheet tabbed "Inputs", the figures "TYAR Total Volume Forecast" and "TYAR Adjusted Volume Variable Costs w/ contingency" for Media Mail and Library Mail were changed to automatically refer to the figures that were calculated in the "vf_ar.xls" and "MM and BPM Summary.xls" workbooks.
2. In the workbook entitled "BPM Rev 8-10-06 R2006_USPS-LR-L-41 - Rate Design.xls", at the worksheet tabbed "Inputs", the figures "TYAR Total

Volume Forecast" and "TYAR Volume Variable Costs w/ Contingency" were changed to automatically refer to the figures that were calculated in the "vf_ar.xls" and "MM and BPM Summary.xls" workbooks.

3. In the workbook entitled "MM and BPM Summary", at the worksheet tabbed "Inputs", the average revenue per piece for BPM, Media Mail, and Library Mail under PostCom's rate proposal (displayed at lines 32, 34 and 35) were corrected.

These minor corrections did not precipitate any changes to PostCom's rate proposal as set forth in the witness's testimony.

Respectfully submitted,

Ian D. Volner
