**POSTCOM REQUEST REGARDING THE SCHEDULING OF  
WITNESS ANGELIDES ON NOVEMBER 2, 2006  
(POSTCOM-T-5)**

The Association for Postal Commerce and the Mailing and Fulfillment Service Association (herein collectively "PostCom") hereby files this request concerning the scheduled appearance of Dr. Angelides on November 2, 2006.

The witness will be traveling in from out of town on the morning of Thursday November 2. To be best assured that potential travel delays do not prevent his timely appearance, PostCom respectfully requests that Dr. Angelides be called for examination regarding PostCom-T-5 just before he is scheduled to be examined regarding PostCom-T-4, as the last scheduled witness on that day.

Counsel for Amazon.com, Inc., Parcel Shippers Association, United Parcel Service, and the United States Postal Service have indicated to counsel for PostCom that they do not oppose this modest adjustment to the schedule.

PostCom appreciates the consideration of the Commission and the parties.

Respectfully submitted,
