MOTION OF THE UNITED STATES POSTAL SERVICE FOR
PERMISSION TO FILE SUPPLEMENTAL COMMENTS
(June 19, 2007)

The Postal Service hereby moves for permission to file its "Supplemental Comments of the United States Postal Service on the Classification Process" as part of the above-captioned document. This document presents the Postal Service's views concerning classification procedures under the Postal Accountability and Enhancement Act (PAEA), and should be helpful to the Commission and other parties involved in this proceeding. The acceptance of these Supplemental Comments will also not prejudice the interests of any party, considering the fact that this proceeding remains in its early stages, and there is ample time for parties to respond to the positions put forth by the Postal Service.

Respectfully submitted,
