**NOTICE OF INTERVENTION BY THE  
AMERICAN CATALOG MAILERS ASSOCIATION  
(August 24, 2007)**

The American Catalog Mailers Association (“ACMA”) moves to intervene in this proceeding in accordance with Section 20 of the Commission’s Rules of Practice and Procedure.

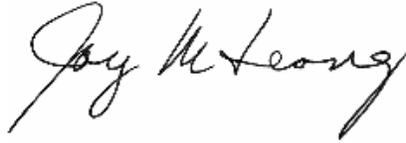

ACMA is a nonprofit association of catalog mailers interested in preserving the vitality and growth of the catalog industry. Its members rely on the Postal Service to send large numbers of Standard Mail flats to customers and prospective customers. The Negotiated Service Agreement (“NSA”) that is the subject of this docket would provide discounts for both Standard Mail letters and flats. As a result, ACMA members have a strong interest in this NSA.

At this time, ACMA does not request a hearing or conference, but does ask that the Commission allow it to intervene as a full participant.
