**MOTION OF LIFE LINE SCREENING TO WITHDRAW MOTION FOR
PROTECTIVE CONDITIONS
(CIR No. 1)**

(October 12, 2007)

On October 5, 2007, Life Line Screening filed a motion to establish protective conditions regarding its response to Commission Information Request No. 1. *See* Motion of Life Line Screening for Protective Order Regarding Response of Witness Greenberg to Commission Information Request No. 1. In the interests of moving these proceedings toward conclusion without further delay, Life Line has decided to file responses to CIR No. 1 publicly. Life Line has determined that it can respond without revealing information that would place Life Line at a significant competitive disadvantage. Accordingly, Life Line moves to withdraw its motion to file these responses under seal.

Respectfully submitted,
