

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

ANNUAL COMPLIANCE REPORT, 2007

Docket No. ACR2007-1

FOURTH NOTICE OF THE UNITED STATES POSTAL SERVICE
OF MINOR REVISIONS TO MATERIALS ACCOMPANYING ITS
FY 2007 ANNUAL COMPLIANCE REPORT -- ERRATA
(Item NP2)
(February 4, 2008)

The Postal Service filed its FY 2007 Annual Compliance Report on December 28, 2007, along with a large number of accompanying items. Minor revisions to some items were filed on January 16, 18, and 22, and today similar revisions are being made in one item. For each item, the new CD-ROM provided completely replaces the original CD-ROM, as all files are included, even those which have not been revised. Since the item revised today included hard copy, replacement copies of the hard copy are also being provided to the Commission.

USPS-FY07-NP2

With respect to the 2/4/08 revisions, while responding to Question 6, Commission Information Request No. 1, ACR2007, it was discovered that the settlement calculations needed to be updated by updating three tabs in workbook Inputs.xls. The three tabs are: [UPU Rates CY1], [UPU Rates CY2] and [CP Inbound Surface in Column H]. The UPU rates tabs were updated to reflect UPU Circulars 249 and 250 for CY1 and CY2, respectively, and [CP Inbound Surface, Col H] was updated to properly capture the

inbound rates associated with Inbound Surface Parcel Post. Updating the UPU rates impacts settlement costs for both outbound letterpost and inbound letterpost products and updating [CP Inbound Surface, Col H] impacts Inbound Surface Parcel Post.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

R. Andrew German
Managing Counsel, Legal Policy &
Ratemaking

Daniel J. Foucheaux, Jr.
