Response of United States Postal Service Witness Alexandrovich  
to  
Interrogatories of Douglas F. Carlson

**DFC/USPS-T5-15.** Please refer to Attachment 1 to DFC/USPS-T5-15. This attachment depicts four cards, numbered one through four. Assume that these cards are consistent with the requirements of DMM § C100.2.1 and any other applicable regulations defining a First-Class Mail card. (Note that the image of each card has been reduced so that the four cards will fit on one sheet of paper.)

For each card, please state, to the best of your ability, whether the card is (i) a stamped card or (ii) a private post card. To the extent that you have doubt about the categorization of each card, please provide your best determination and specify the factors that prevent you from making a definitive determination or the additional information that you would need to make a definitive determination.

**Response to DFC/USPS-T5-15**

Please note that I have never been trained as a data collector. To the best of my ability, however, I would identify Cards #1, #3, and # 4 as private postcards and Card #2 as a stamped card.
