Pursuant to Presiding Officer's Ruling Granting Extension of Time to File Responses, C2008-3/26 (September 26, 2008), Capital One Services, Inc. (Capital One) submits this report on the status of its informal discussions with the Postal Service concerning discovery issues:

This week Capital One and the Postal Service held a teleconference on Thursday. The Postal Service Legal Department indicated that it is awaiting guidance from its client, and we cannot move forward until that time. We expect to have more information next week and have scheduled a conference call for Tuesday.

Because the Commission will be closed next Friday, December 26, 2008, Capital One will file its next status report on Friday, January 2, 2008.
